Action Taken Report on Students, Teacher's, Alumni & Parents Suggestions

2018-19

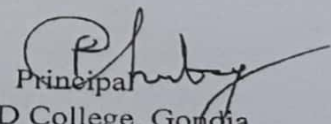

Students Feedback and Suggestions	Action Taken
Clean drinking water facility, availability of reference books of various mediums, excursions, industrial visits and field visits.	1. College has installed a separate water tank for the RO water purifier of the college.
	2. The college invites list of required reference and text books from the various departments and places orders of the books as per the requirements.
	3. The college organizes excursions for geography students. Field visits, industrial visits and visit to supreme court are organized for the students of MBA, BBA, BCCA and LLB
Teachers' Feedback and Suggestions	Action Taken
Computer systems with internet connection for all the departments to carry forward research and other academic activities.	The college has taken subscription of Railwire internet facility and issued computer systems to all the departments. Nevertheless, the computer labs of the college are also available for the staff as well as students.
Alumni/ Parents' Feedback and Suggestions	Action Taken
Organizing more academic activities inviting experts of the various fields.	The College plans to organize more academic activities during this session, utilizing the auditorium and the seminar hall of the college.
