

Action Taken Report

Action Taken Report on Feedback reports as minuted by the Governing Council (GC) of the College.

I. From Students:

The following suggestion/Feedback are Considered

- a) Students who have shown outstanding performance, requested for increasing number of books issued to them

ATR - It has been decided that at least one reference book shall be issued to the Meritorious students.

- b) Many students requested for Internet Facility to avail current information in the field of academic.

ATR - The college has five computer labs with internet connectivity which are made available to the students as and when required.

- c) The students demanded to start the college at 7:50 a.m. rather than at 7:30 a.m. So that they reach to time due to late arrival of buses and trains.

ATR - The college timetable has been changed as per the demands of the students for the last three academic sessions.

II. From Parents:

- a) Under the name of continuous Internal Assessment, the traditional method of question paper is followed. Suitable Mechanism for examination/evaluation is requested.

ATR - We have devised different models for continuous Internal Assessment such as problem based learning, survey based study, assignments etc.

- b) Some suitable facilities for Yoga and Relaxation is requested.

ATR -The Sports and Games department of the college organizes Yoga and Mental Relaxation classes weekly on Saturday so that the students learn Yogasans and Practice them at their homes.

- c) Special Training for Personality Development and Coaching for competitive examination is suggested.

ATR - The college organizes various seminars and workshops on Personality Development inviting specialist resource persons of the respective fields and the college also runs competitive examination cell for the students interested to appear in the competitive examination. The cell is operation for the last four year.

III. From Alumni:

- a) The upgrading and updating of students' knowledge through modern ways like ICT is suggested.

ATR - The institution has been imparting education to B.Com, BBA, BCCA, MBA, LLB, MCM and BA Students partially through ICT for the last ten years. However, for the last two years B.Com, BBA, BCCA, MBA, LLB and MCM students are imparted education through ICT in majority of their curriculum.

- b) It was suggested that employment should be generated for rural area students by inviting companies in the campus for placement.

ATR - The College has been organizing campus placement drives in the college by inviting companies like ICICI, TCS, L&T, Adani Power etc.

IV. From Teacher:

- a) The Heads of various departments along with the faculty members requested for computer systems with Internet Connectivity.

ATR - The College provided computer systems with Internet Connectivity to all the departments of the college.

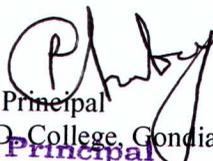

- b) The faculty members suggested to have an information system which intimates the teachers about their placement date and amendments in the placement procedure in advance so that the placements are done in time.

ATR - Date of all the faculty members is prepared on the basis of seniority mentioning their placement dates both in hard and soft copies to inform them from time to time about their placement. The preparation of such data also enabled the college to prepare a list of faculties who need to do Orientation and Refresher Courses so that they can be relieved to do Orientation and Refresher Courses as per the dates of their Placements.
