On 5<sup>th</sup> April 2024 the placement cell had organised webinar specifically for girl students. Mrs.Gauri Amit Geet, Deputy General Manager, Investors Awareness Division, SEBI in her expert Lecture on the topic ‘Women’s Financial Empowerment with a tagline, ‘Your Money Matters-A personal Finance workshop exclusively for Women’,while highlighting the importance of saving and investment, She said, ‘earning is easy but financial management is difficult’. The survey revealed that one must have practically 20% of the his/her earning must have to be save every month but actually only 11% of earning are used for savings, she said. She was advocated that for financial wellbeing, one has to pen down proper financial goal. She gave the mantra to all the young students that, when once you begin the earning first save some amount separately for saving/investment and then start spending. She, in her speech made aware the participants about the prospects of short term, medium term and long term saving plan. She also talked about the close nexus of inflation and various investments. Hence while investing one has to see to it that how to tackle future inflammation and financial security of future. In her speech she has made aware about the Mutual Funds, Equity Investments. She has given the wise guidance to all investors that while depositing the money first understand the one’s financial risk appetite then invest wisely. She also guided and given useful tips as.

- **Start early, stay invested**
- Have discipline
- Diversify your money in variety of available investment plan
- Plan for unexpected expenses
- Review and rebalance ones portfolio
- Never panic, manage ones debt wisely
- Cover all risk and plan ones taxes

In her concluding note she has revealed the investment formula for secured and peaceful future i.e. Golden rule for investment of money for its growth and prosperity

One’s total income minus one’s age, the answer one gets should (that much amount) be finest way for investment for that financial year. That will be the easiest way to understand the future financial saving for financial wellbeing'
