

N.M.D. College, Gondia

Institutional Distinctiveness

Session: 2023-2024

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust.

N.M.D. College, Gondia, the pioneering college of Gondia Education Society is committed to cater the needs of the rural and backward students of the district. This is one and only co-ed college in the fraternity of Arts and Commerce to provide higher education in the whole city. The College is distinct in its own efforts. Majority of the students who get admission and are enrolled belong to rural areas. The College always strives to cater to the needs of the rural area students. One of the objectives of the college is to provide education to the poorest of the poor. In this way, College contributes to rural development in the area of education. It is the beauty and distinctiveness of our College in one area as far as the vision, priority and thrust are concerned. The students from small villages come and get education. The College adjusts its time of the classes according to the commuting facilities available for the students coming from the nearby villages.

The college has the second biggest library in Vidarbha region. The students from each and every community study here and we celebrate each and every day and festival to promote communal harmony. The college believes in Unity in Diversity. The college is itself all in one college as far as the subjects and faculties are concerned. The College provides various degrees in Arts, Commerce, Management and Law. Under one umbrella except science, the College facilitates study of courses like B.Com., B.A., MBA, M.Com., M.A., BBA, LLB and BCCA. It must be noted that we also offer science courses in the same campus through our sister institute. So, we are providing all sorts of facilities pertaining to the academic arena, where students have the liberty to pursue courses of higher education of their choice.

The College strives to produce entrepreneurs with a sense of social responsibility. GOI, National loan, Merit, political sufferer, open merit scholarship, scholarship for orthopedically handicapped, similarly free studentship education concession and EBC are provided to the students. The college has complete transparency in the admission process. Students are admitted as per the merit criteria. The college prepares merit lists for some courses. The college ensures equality in the college by providing needed facilities to the students of diverse classes and gender groups. To make teaching learning and evaluation process effective, major emphasis is given on

new techniques of learning. Students are encouraged to bear responsibilities of conducting various activities and programmes for their overall development.

The Agro Exhibition is one of the distinctive features of College. Since an educational college is responsible for contributing in national development, keeping in view this the College organizes Agro-exhibition to provide an opportunity to local farmers to show their skills and products to the locals directly, to involve the participation of local public and students in the exhibition, to make people aware of the distinctiveness of their locality as far as the agricultural achievements are concerned and to provide a platform to honor the local farmers as far as the organic agro-products and crops are concerned. To promote quality and excellence, teachers are motivated by management to participate in National, International and Interdisciplinary seminars and conferences. They are also encouraged to publish their works in highly reputed peer reviewed journals with a good impact factor. The college has advanced infrastructure such as software material library, facility of OPEC, advanced computer lab, seminar hall and auditorium to keep pace with academic growth. Best possible practices are undertaken within the norms for quality assurance and sustenance. The head of the college encourages the staff to carry out the different academic and cultural activities. They are encouraged to participate in Orientation and Refresher Courses under Career Advancement Schemes of University Grant Commission. The College strives its level best to implement the directives of NAAC to imbibe in the different academic, curricular and extracurricular activities.
