Explanation: - From the above graph it shows that near about 80 % of students has given the positive response regarding teacher's encouraging the students to participate in various extracurricular activities, as well as more that 75% of the students have also given the positive response regarding our faculty by using examples and illustrations during their lectures.

Having evaluated and gone through the student's level of satisfaction, it has been found that students have expressed their satisfaction to a large for the performance of faculties, conduction of activities and infrastructure facilities. To be specific, students have showed their satisfaction on the syllabus, communication skills of teachers, internal evaluation process, promoting internship, students exchange program, field visit opportunities, mentoring process, organization of extracurricular activities, use of teachers' ICT tools and overall teaching- learning process. Hence, 80% of the students have extended their positive and satisfactory responses to almost all the points covered in the survey.
